

PERSONAL ACHIEVEMENT ACADEMY

SPECIAL ANNOUNCEMENT

We are excited to introduce a special character development program for all of the students. It is called the Personal Achievement Academy. Every month you will receive a Personal Achievement Academy handout. This handout is an incredible tool for educating yourself and your family on important Life Skills.

The hand out has 4 weekly lessons and cool missions the students can do. These missions are the key to helping the students develop positive life changing success habits. They are fun and the students earn points for each mission they accomplish. On stripe testing week please bring in the Personal Achievement Academy handouts to the instructors. Students are recognized by for their efforts by earning a reward. The students can keep these sheets and collect them.

Students who get 150 or more points will get a Champion for Life Powerband!

PARENTS

Readers are Leaders! We recommend reading the lessons of the week and reviewing the missions together at bed time and at dinner time 2-3 times per week. This will make a tremendous impact on your children and the future of their success. This is a fun family activity that will benefit your family greatly.

LEADERSHIP SKILLS

My charisma, knowledge, and enthusiasm inspires others to be their best through my courageous acts of honor and respect.

CHARACTER DEVELOPMENT

I am sincere, respectful, well-mannered, and a trustworthy friend who stays true to my morals.

KNOWLEDGE IS POWER

I focus and study passionately to educate myself and become skilled in many subjects.

MARTIAL ARTS ATHLETE

I train hard and eat healthy to become fast, powerful, agile, and flexible.
